Dear Sis: - How be you? We are fair to middlin'.  
The Head of the house is away on a "camping  
trip". Left for homestead last wednesday & expected  
to see you that eve. Hope he mailed Helen's package.  
If not, guess he will stop wed. or Thurs. of this week  
on return trip. If he does, and you are not using them  
will you give him the pail & basket - we need every-  
thing for packing for our trip. by-and-by. I am washing  
this morning. Baked, canned tomatoes etc yesterday and  
went to the church last eve to a farewell party to the  
Pastors family. I am going to Long Beach to Confer-  
ence for a day or two as delegate - How are you. Let  
me hear. House rented & family of four coming in right away -  
Love to all - "Auntie Ga."
